## AICO Stellar Scholars

### **If you have the most 1's:**

You are suited for an **astronomer or astrophysicist**.

### **If you have the most 2's:**

You are suited for a career in **space outreach** or as a **space educator**.

### **If you have the most 3's:**

You may enjoy roles like a **space mission engineer**.

### **If you have the most 4's:**

You are suited for careers such as a **mission planning specialist or astronomical instrumentation engineer**.

## REFLECTION QUESTIONS

1. Based on the rankings, what career (s) suits you the best?

---

2. What skills or qualities do you need to develop to pursue this career?

---

3. How can your personality traits help you succeed in this career?

---
